BlueBay Asset Management plc

Preliminary Announcement Correction

In reviewing the Preliminary Results for the year ended 30 June 2007 and the Annual Report and Financial Statements for the fiscal year 2007, it has come to the Company's attention that the Basic Earnings per share for 2007 was misstated in both documents. This should have read 29.3p instead of the 25.0p that was reported. The Diluted Earnings per share number was correctly reported at 18.5p in these documents.
